Kitchenettes

Design & Consultation

Our team of expert designers works closely with clients to understand their specific needs and preferences.

Using the latest design software, we create detailed 3D models that provide clients with a realistic preview of their new kitchen before any work begins.

This collaborative approach ensures that every design is tailored to meet the unique requirements of each project, resulting in a space that is both functional and aesthetically pleasing.

Kitchenettes

Production & Installation

We manage internal production with complete ownership of design, ensuring rigorous quality inspections and standards throughout the entire process.

Our highly skilled installation experts are available on-site for the first few days of installation, guiding your team through assembly and installation techniques.

We produce our own high-quality panels, guaranteeing durability and precision. This comprehensive approach ensures that every kitchen is built to the highest standards, providing long-lasting value and performance.

Custom Made Easy

No two projects are the same, so your furniture shouldn't be either.

From custom sizing to a vast variety of options in pulls, fabrics, laminates, and COM capabilities, we make it easy to tailor every detail.

Our team works with you to deliver completely customizable solutions that fit your space, your style, and your specs.

Warranty

Our 10-year warranty for our proprietary collection reflects the confidence we have in our craftsmanship.

Designed to perform in high-traffic environments, Foliot Collection furniture delivers long-term value and reliability, backed by a partner you can depend on.

Quality & Durability

Designed for performance. Built to last.

Our furniture combines lasting visual appeal with robust construction that stands up to everyday use.

Every Foliot product meets strict quality standards—so it performs beautifully, year after year.

Total Turnkey Approach

We're more than a furniture manufacturer, we're your partner at every stage.

From initial concept and 3D design services to seamless project coordination and aftercare, Foliot removes the bottlenecks from planning, sourcing, and setup, delivering results without the usual friction.

Sustainability

We're proud to be a green-certified manufacturer committed to smarter, more sustainable practices.

From FSC-certified materials to waste reduction, every Foliot piece is designed with the planet in mind, and built to last.
